

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, D. C.

ORDER NO. 1955

IN THE MATTER OF:

Served January 29, 1979

Application of ATWOOD'S TRANSPORT)
LINES, INC., for Authority to)
Increase Fares - Mt. Vernon, Va.)

Case No. AP-79-2

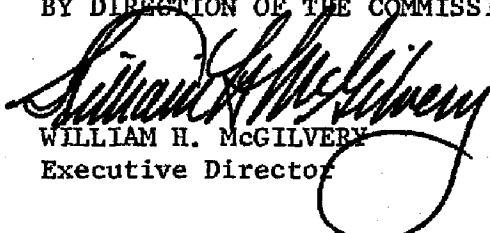

By Order Nos. 1912 and 1936, served November 6, and December 7, 1978, respectively, the Commission approved the transfer of certain operating rights from The Gray Line, Inc., to Atwood's Transport Lines, Inc. (Atwood's). Atwood's was directed, inter alia, to file new tariffs setting rules, regulations and rates for transportation to be performed pursuant to these acquired rights.

By application (letter) filed January 24, 1979, Atwood's seeks authority to file a tariff including increased rates for individually ticketed sightseeing tours involving a stop at Mt. Vernon, Va. Atwood's states that the adult admission fee at Mt. Vernon has been increased from \$2 to \$3 per person and the proposed increases would enable Atwood's to pass this charge along to its customers effective February 1, 1979.

For good cause shown, the application shall be granted, and Atwood's WMATC Tariff No. 27 shall be accepted for filing effective on February 1, 1979.

THEREFORE, IT IS ORDERED That the above-captioned application is hereby granted.

BY DIRECTION OF THE COMMISSION:

WILLIAM H. MCGILVER
Executive Director
